

Loksatta Party

*National Council Meeting held in Hyderabad on
3rd, 4th & 5th April, 2015*

Resolution No - X

Resolved,

“Pursuant to some of the members demanding for immediate appointment of a Lokpal Institution for the party by amending LSP Constitution suitably and their submitting a proposal to that effect, NC had a detailed discussion. The National Council unanimously felt and decided that Lokpal Institution at the current stage of building the party, where critical mass of cadre, resources, and leaders are not available is not required at this stage. It also noted that so far in the 8/9 years of party existence, there has been no complaint of corruption and /or financial misappropriation that has been received. NC felt that the focus of the party shall remain on building adequate cadre, resources & leaders and the current provision under article XX subsection 6 of LSP constitution is adequate to investigate any corruption cases with in the party.
