# Loksatta Party

NC after detailed discussions on the following pros and cons:

## Pros

- Opportunity to redefine unions which are till now considered pro communist.
- Allows LSP penetration in vulnerable sections of society including in unorganized sectors.
- Allows raising internal crony capitalism practices & issues in any given organization, including malpractices and corrupt management practices.
- Allows raising effectively malpractices in govt. departments in a particular sector. Like auto drivers vis-à-vis RTO etc...
- Allows creating a win-win situation for informed labor and investments & other stake holders.

## Cons:

- LSP is seen anti liberal

Resolved that Loksatta Union may be formed / registered with suitable name as may be decided by National Steering Committee (NSC). Loksatta Union may have many sector wise divisions and shall have its own constitution.
